For Registration,;: <https://forms.gle/L2YxAZpfT19WQXqP9>

The college has excellent faculties with fully qualified and supporting staff members who are available to students whenever they require any type of guidance. The students are vibrant and they altogether create an environment that is friendly and enthusiastic. The college promotes extra-curricular activities and encourages students to take part in it because they believe that overall development of students should take place to grow and emerge to be fine citizens and effective personalities, loyal to the highest ideals of their profession and moral values.

Thus Hooghly Women's College with 60 years of dedicated service in the field of women education is successfully rewarded in its resolve and internal strength to remain the beacon of light grounded in the mission of providing the connection between learning and living.

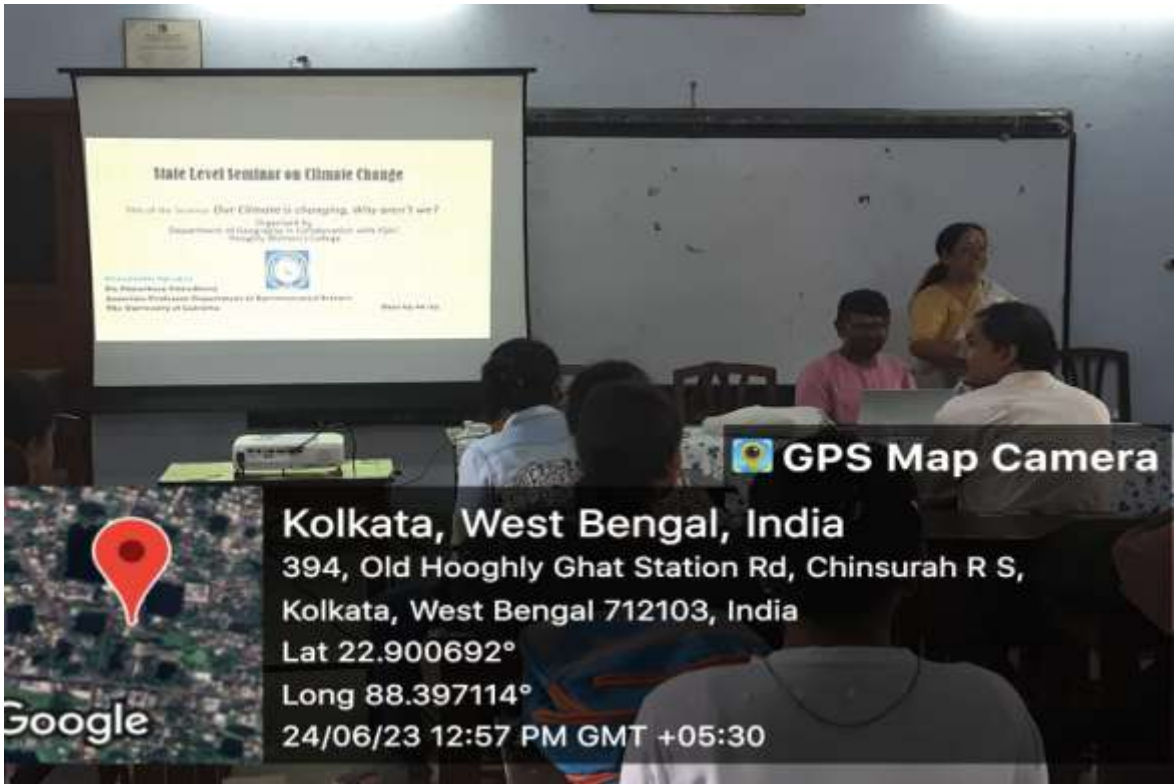

This department is one of the most oldest and renowned one in this college. Presently there are five faculty members who are highly experienced. Not only that, the department is well equipped with different types of geographical instruments and separate computer and soil lab. The department frequently organizes seminars and student's field trips .Presently the department organized a seminar on the topic "Our Climate is changing, Why aren't we?" The main invited speaker was – Dr.Punarbasa Choudhury who is the associate professor in the Department of Environmental Science of the University of Calcutta. There was a very short inauguration program after completion of the registration procedure. The monetary aid for the successful completion of this program was provided by our principal, Dr.Sima Banerjee and the seminar theme was explained by Dr.Syamalina Goswami. The invited speaker elucidated the major topic and it continued till 1:30pm. Thus a very interesting and interactive session was started between the speaker and the students. It was a successful and interesting seminar which benefitted the students of the department. There were a total of 54 students and the faculties of the other

departments of our college as well from other colleges. The fund for the seminar was provided by IQAC of Hooghly Women's College. And after completion of the seminar certificates were distributed among

the participants.
