REPORT ON ONE DAY SEMINAR ORGANIZED BY THE DEPARTMENT OF MICROBIOLOGY IN ASSOCIATION WITH IQAC DATED 23.06.23

The Department of Microbiology in association with IQAC, Hooghly Women's College organized a one day seminar on "Application of Microbiology on Health Sciences". The invited speaker was Mr. Saikat Sen, Faculty of Delhi Paramedical Institute, Saltlake branch. The seminar started with felicitation of Mr. Sen by Ms. Shristi Bhagat, Student of Microbiology Hons. 4th SEM of Hooghly Women's College followed by the felicitation of our Principal, Dr. Sima Banerjee by Ms. Anuska Banerjee, student of Microbiology Hons. 2nd SEM of Hooghly Women's College. The Principal of Hooghly Women's College and patron of the seminar inaugurated the programme with her welcome speech. The technical session commenced with the speech by Dr. Piyali Guha, faculty of Microbiology Department. The speaker then delivered his lecture on the scope of Microbiology in different aspects of Health Sciences. In covid and post covid period when there was job curtailment in every sector, the only sector which had the job requirement was the health sector. The procedure through which the students of Microbiology can get the opportunity in those sectors was the sole motto of his speech. The session was anchored by Smt. Shinjini Dhar Halder, faculty of Microbiology Department. After the lecture there was an interactive session between the speaker and the students. The students were found to be satisfied after attending the seminar. Smt. Doyel Roy Nag, faculty of Microbiology Department ended the seminar by giving the vote of thanks.

Sub:- Request to deliver a lecture on Health Sciences and its application

Respected Sir,

With due regards, I am requesting you to come to our college and deliver a lecture on 'Application of Microbiology on Health Sciences'. Since our college has Microbiology Department, so the undergraduate students will be benefited through your lecture.

Hope you will accept my request.

Yours faithfully

Sima Banerjee
